

EDUCATION SUMMIT FOR NEIGHBORHOOD COUNCILS

The City of Los Angeles' Department of Neighborhood Empowerment and the California School Boards Association are hosting this important event designed to help Neighborhood Councils come together to learn about and discuss issues and opportunities related to education, youth and our local schools. Speakers include the Mayor Eric Garcetti's Office, California School Boards Association, and Neighborhood Council board members. Breakout sessions will be included so we can hear from members of Neighborhood Councils about this topic. Please JOIN US for this much needed discussion! If your Neighborhood Council is already doing something great for your schools, please submit a brief description (with pictures if possible)

Everyone is welcome!
