CD1 Council Member Gil Cedillo,

Re: Outdoor Dining Initiative: Al Fresco

The Historic Highland Park Neighborhood Council (HHPNC) represents over 60,000 Los Angeles Stakeholders who reside, own property, or conduct business in the neighborhood of Highland Park. HHPNC supports Mayor Garcetti's initiative L.A. Al Fresco to support outdoor dining opportunities for restaurants in coordination with the L.A. County Department of Public Health.

The HHPNC supports outdoor dining options with appropriate required distances that allow for safe consumption of food on sidewalks, private parking lots and street parking spaces or parklets while maintaining needed egress and circulation for our stakeholders. We also support extending these accommodations to street vendors with Department of Public Health guidelines.
