AGENDA

1. Welcome, Call to Order, and Roll Call
2. Alternative Transportation Workshop - Trains, buses or bikes: your choices can help clean our air. LA has some of the worst air quality in the nation. But using alternate modes of transportation can improve the health of our air exponentially! In order to tackle the climate crisis and meet our city's Green New Deal goals, we MUST learn how easy and important it is to get around in ways other than cars. Highland Park is home to zero-emissions buses and trains and of course, bike lanes—join us for an online forum to learn how to move easily through our neighborhood and city, and find out how you can make the air healthier for yourself and others.
3. Adjournment
