Cheated on that. **Tim Mellin** – Corner historically restore – avg. low cast building. Bought it not much to restore. Corner looks much better. Disagree with previous caller. Alumni Assn building restoring it. Incorporate new design but preserve. Gutted it and built whole new design. Can seem that way, come to us when they want something. Not really sure if they are on board with historic preservation. **Gemma Marquez** – Did they notify us? Come to us when they want something. Disingenuous that they are saying that. Literally across the street. Can't

conveniently come when it is for their benefit. **Rosa Rivas** – Agree with Gemma, they come when they want something. What is letter. **Sylva Blackstone** – Jim Tranquada, public relations. If DeLeon’s office would help make that suggestion. Should send a notice to us. Blanket permit for all of their events serving adults and alumni.

Eco aspect as well. **Tani Kaye**: Agree with Lisa and Steve Crouch. Don’t have infrastructure. Not low income not affordable. Wrote letters. Scott Weiner, support City Council in opposing bills. **Rose Serna**: SB 9 another version of SB 51 includes 710 homes in El Sereno. Part of group occupied. Homes could be going to use right now. Tragic. Will include corridor. Will dis-include allowing for cooperatives to become stewards for properties. El Sereno Land Trust. SB 9 excludes El Sereno but not South Pasadena and Pasadena.
