Historic Highland Park Neighborhood Council

March 4, 2021

Attn: Jim Tranquada,
Director of Communication and Community Relations
Occidental College
1600 Campus Road
Los Angeles, CA 90041

From: Historic Highland Park Neighborhood Council

Dear Mr. Tranquada,

Our Historic Highland Park Neighborhood Council (HHPNC) has enjoyed collaborating over the years with faculty and students from Occidental College. Occidental College is considered a shared resource with the Eagle Rock Neighborhood Council and the HHPNC. We have enclosed a map which shows the boundaries. Occidental students and staff live, shop, dine and travel through Highland Park. Additionally, many of our stakeholders live by Occidental College.

Recently, some of our stakeholders who live by Occidental College notified us of a project that went before the Eagle Rock Neighborhood Council, but did not come in front of the HHPNC. They were concerned about the project and did not know what the specifics of the project were. We have a very active Neighborhood Council with many committees on which stakeholders participate. Stakeholders frequently turn to us for answers about what is being planned. We believe it would be to your benefit to notify the HHPNC in the future when changes that may potentially impact Highland Park are planned. In this manner our stakeholders who are impacted by changes on your campus will be informed about what is planned. It could help alleviate unfounded concerns. Additionally, our stakeholders can provide you with valuable input as residents who live in a community are local experts and have on the ground knowledge of the area, resources and potential problems.

We hope that in the future you will reach out to us with your future plans. We look forward to collaborating in the future.

Sincerely,
