

Financial Planning with the Los Angeles Public Library

In today's uncertain economy, planning for your financial future is more important than ever. From October 6-16, the library, along with the Los Angeles Alliance for Economic Inclusion (AEI), BankOn Los Angeles County and the Securities and Exchange Commission (SEC), is hosting a series of programs that are designed to help you improve your current financial picture as well as plan and prepare for the future in an ever-changing economic world.

Wednesday, October 6

Get Banked and the Advanced Child Tax Credit with the AEI

12-1 p.m.

Thursday, October 14

Credit Reports & Scores with the AEI

12-1 p.m.

Tuesday, October 12

Investor Protection with the SEC

6-7 p.m.

Thursday, October 14

Retirement Planning and Financial Independence

6-7 p.m.

Wednesday, October 13

Your Savings with the AEI

12-1 p.m.

Friday, October 15

Estate Planning – Getting Your Financial House in Order

6-7 p.m.

Wednesday, October 13

Investments – Breaking Down the Investment Universe

6-7 p.m.

All programs will be streamed live on the library's **Facebook** and **YouTube** pages.

On Saturday, October 16 the library will host Financial Planning Day with the Financial Planning Association of Los Angeles. Sign up to have a free, private telephone consultation with a CERTIFIED FINANCIAL PLANNER™ professional, where you can discuss your personal finance questions, concerns and interests from the comfort of your home.

All programs, including the one-on-one consultations with CERTIFIED FINANCIAL PLANNER™ professionals, are free.

Visit lapl.org/financial-planning to learn more about all of these programs and to register for your free Financial Planning Day consultation.

Disclaimer:

The objective of this pro bono engagement is to provide free “no strings attached” financial planning information and education. Any workshops and one-on-one meetings with a planner are for educational purposes only. Los Angeles Public Library does not recommend or endorse individual professionals or services.
